

Hunt Seat IHSA Equestrian Team

**This year marks the 42nd year of the Purdue Equestrian Club.
 Join us in celebrating by sponsoring our end-of-the-year team banquet!**

The Purdue Equestrian Team was founded in 1980 to bring the sport of horseback riding to students of all backgrounds and skill levels. Our team has been consistently ranked one of the top ten IHSA college teams in the nation and has played a vital role in representing our university in the winner's circle. Our team works hard to ensure our academic and team success, whether at the barn or in the classroom.

Our team hosts a banquet to highlight our accomplishments throughout the season every year. Our club is self-funded, and with many new changes on the horizon, we need your support more than ever!

Below are the donation packages that will go to benefit the team directly.

We appreciate your consideration!
